

# Carla Mendes Ribeiro

Product Designer & Front-end Developer

Lisbon, Portugal +351 912 345 678 carla.ribeiro@example.com

linkedin.com/in/carla-ribeiro-example https://carlaribeiro.example.com

## SUMMARY

Designer who codes. I prototype in Figma, ship in React, and measure what happens after.

## EXPERIENCE

### Product Designer, Tagus Labs

Lisbon · January 2022 - Present

- Redesigned the onboarding flow, lifting activation from 31% to 47%.
- Maintain the design system used by three product teams.

### Front-end Developer, Azul Interactive

Porto · September 2018 - December 2021

- Built marketing sites and web apps in React and Next.js for retail clients.

## PROJECTS

**Tile** · A colour contrast checker for design tokens.
