Elena Petrova

Engineering Manager at Northwind Systems
Berlin, Germany

Summary

Engineering manager for two platform teams. Before that, eight years as a backend engineer in payments. I care about clear ownership and boring infrastructure.

Experience

Northwind Systems

Engineering Manager
October 2020 – Present
Berlin

Lead the platform and reliability teams, twelve engineers in total. Introduced quarterly reliability reviews.

Northwind Systems

Senior Software Engineer
May 2017 – September 2020
Berlin

Designed the ledger service in Go on PostgreSQL.

Baltic Pay

Software Engineer
January 2013 – April 2017
Tallinn

Built card processing integrations in Java.

Education

Tallinn University of Technology

MSc, Computer Science · (2011 – 2013)
